

Two female aerialists are performing on a large black aerial hoop. They are both wearing matching orange lace leotards and are barefoot. The woman on the left has blonde hair and a tattoo on her right arm, while the woman on the right has pink hair and a tattoo on her left arm. They are holding the hoop with both hands each, and their bodies are positioned to form a heart shape. The background is a plain, light gray.

# YEARS OF PROFESSIONAL EXPERIENCE AND TRAINING

After five years of training at the Staatliche Artistenschule Berlin, Sina and Vienna established themselves as one of the most sought-after show acts in the industry in 2016.

Their years of expertise enable them to develop concepts themselves, be extremely adaptable and respond flexibly to requests.

Every detail of their performances - from the music to the costumes - is thought through with the utmost care. Whether sensual and dreamy or powerful and dynamic: Duo Sienna never ceases to amaze.

# REQUIREMENTS

## AERIAL HOOP

- Stage dimensions of 3 m x 3 m
- Suspension point at a minimum height of 5 m

The suspension point must be able to support a safe working load (SSW) of at least 300 kg. On request, we also offer safe suspension and rigging for the performance.

## POLE

- Stage dimensions of 3 m x 3 m
- Minimum height of 3.5 m

Thanks to a free-standing pole platform, the performance can be enjoyed flexibly in almost any location.

Further details, information, rigging options and a technical rider are available on request or on our website.
